*Pepco's ENERGY STAR® Appliance Rebate Sweepstakes is open to all Pepco residential customers in the District of Columbia. Employees of Pepco Holdings, Inc. (PHI), its affiliates, PHI's advertising agencies and their immediate family members are not eligible to participate. Five (5) winners will be drawn at random on July 24, 2010, from entry forms mailed or submitted on-line. The drawing will take place at The Home Depot, 901 Rhode Island Avenue, N.E., Washington, D.C. Deadline for entry is midnight, Tuesday, July 20, 2010. Chances of winning are dependent upon the number of valid entries received. Each winner will receive a \$1,000 "The Home Depot Gift Card" to be used for the purchase of \$1,000 worth of energy efficient appliances at The Home Depot store on Rhode Island Ave., N.E., Washington, D.C. Winners will be notified by mail and do not have to be present to win. Gift cards must be redeemed for ENERGY STAR® qualified electric appliances. In the case of an electric water heater, the unit must have an energy factor (EF) of .93 or greater. The total value of the gift card must be redeemed at one time. There are two ways to enter: customers can complete and return by pre-paid mail an entry form mailed by Pepco to all residential customers in the District of Columbia. District of Columbia customers may also participate by submitting an on-line entry form available at Pepco's Web site, www.pepco.com. No purchase is necessary to enter. Only one entry per Pepco District of Columbia residential account is allowed. The Sweepstakes is part of a campaign to promote Pepco's Lighting & Appliance Program. The Program offers rebates on the purchase of certain ENERGY STAR and energy efficient appliances. The purchase of a qualifying appliance does not increase the entrant's chances of winning. Contest is in effect June 16, 2010, through July 20, 2010. Pepco, 701 Ninth Street, N.W., EP9626, Washington, D.C. 20068.
